we bring art to life

*If you're ever lost, stroll to the very edge of your heart by a flower in every bloom,
and you will find your way home.*

Burano
we bring art to life

People from a place without flowers would think
we must be mad with joy, the whole time to have such things about us.

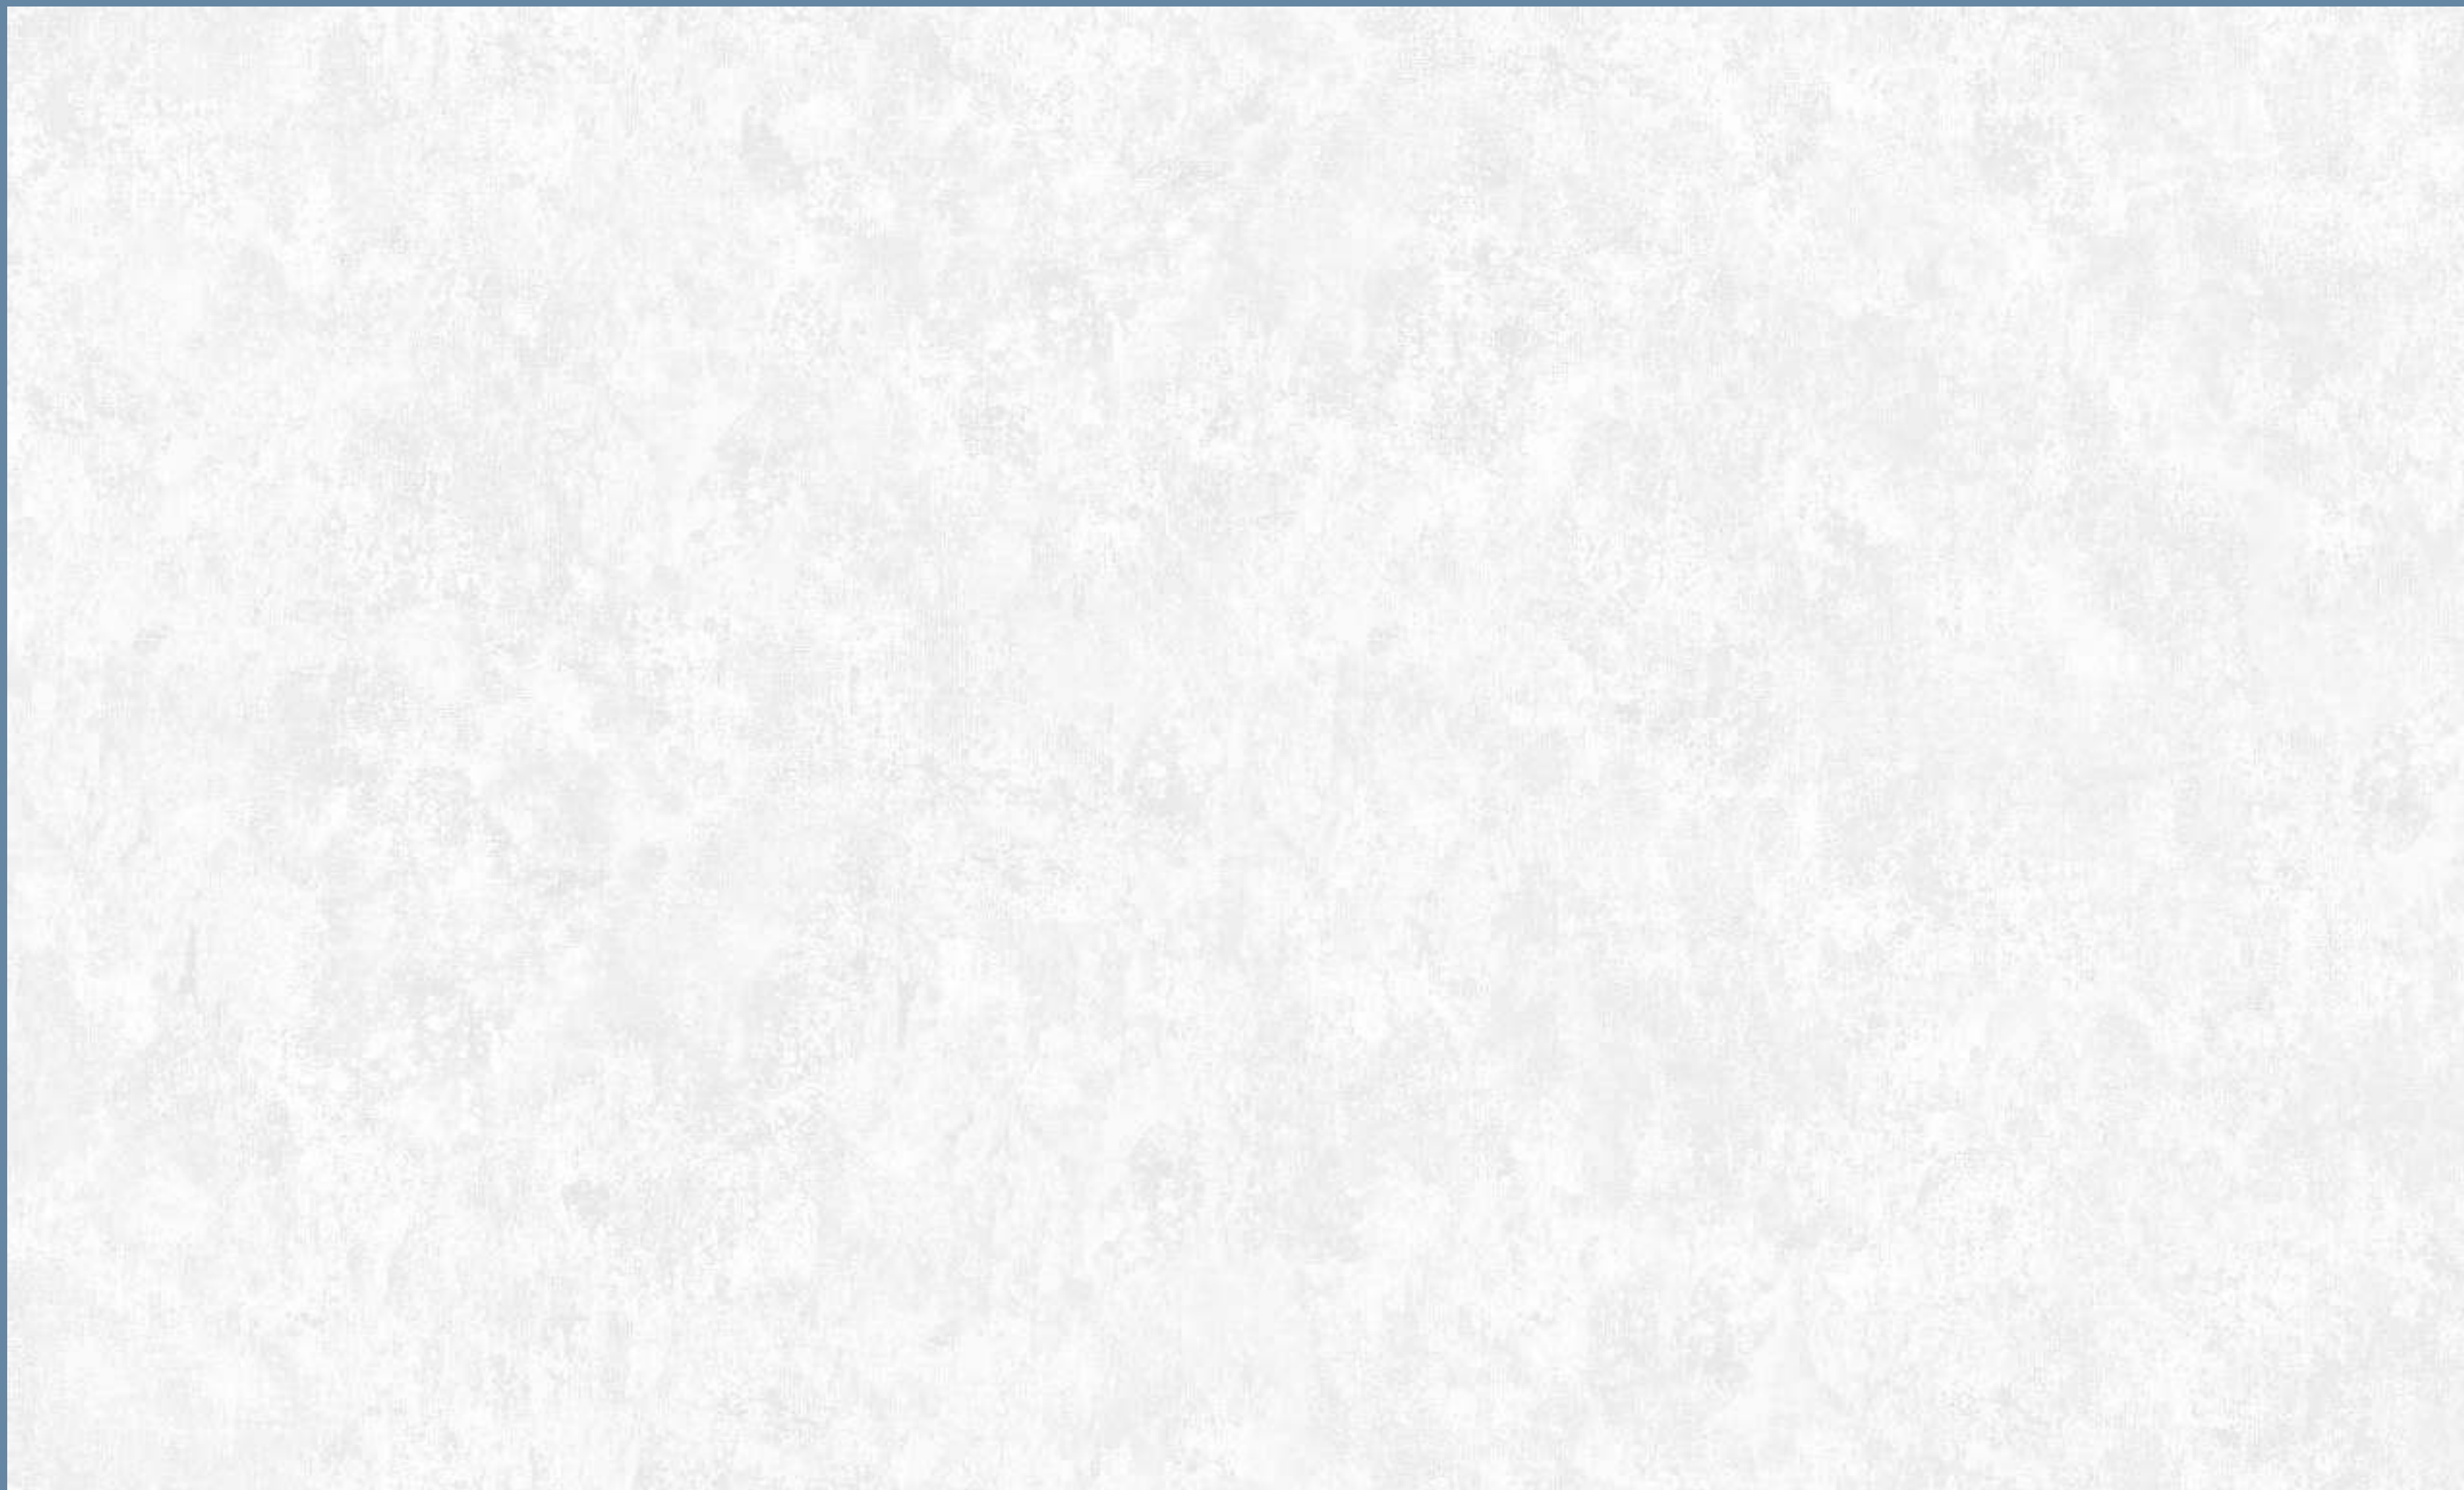

Burano
we bring art to life

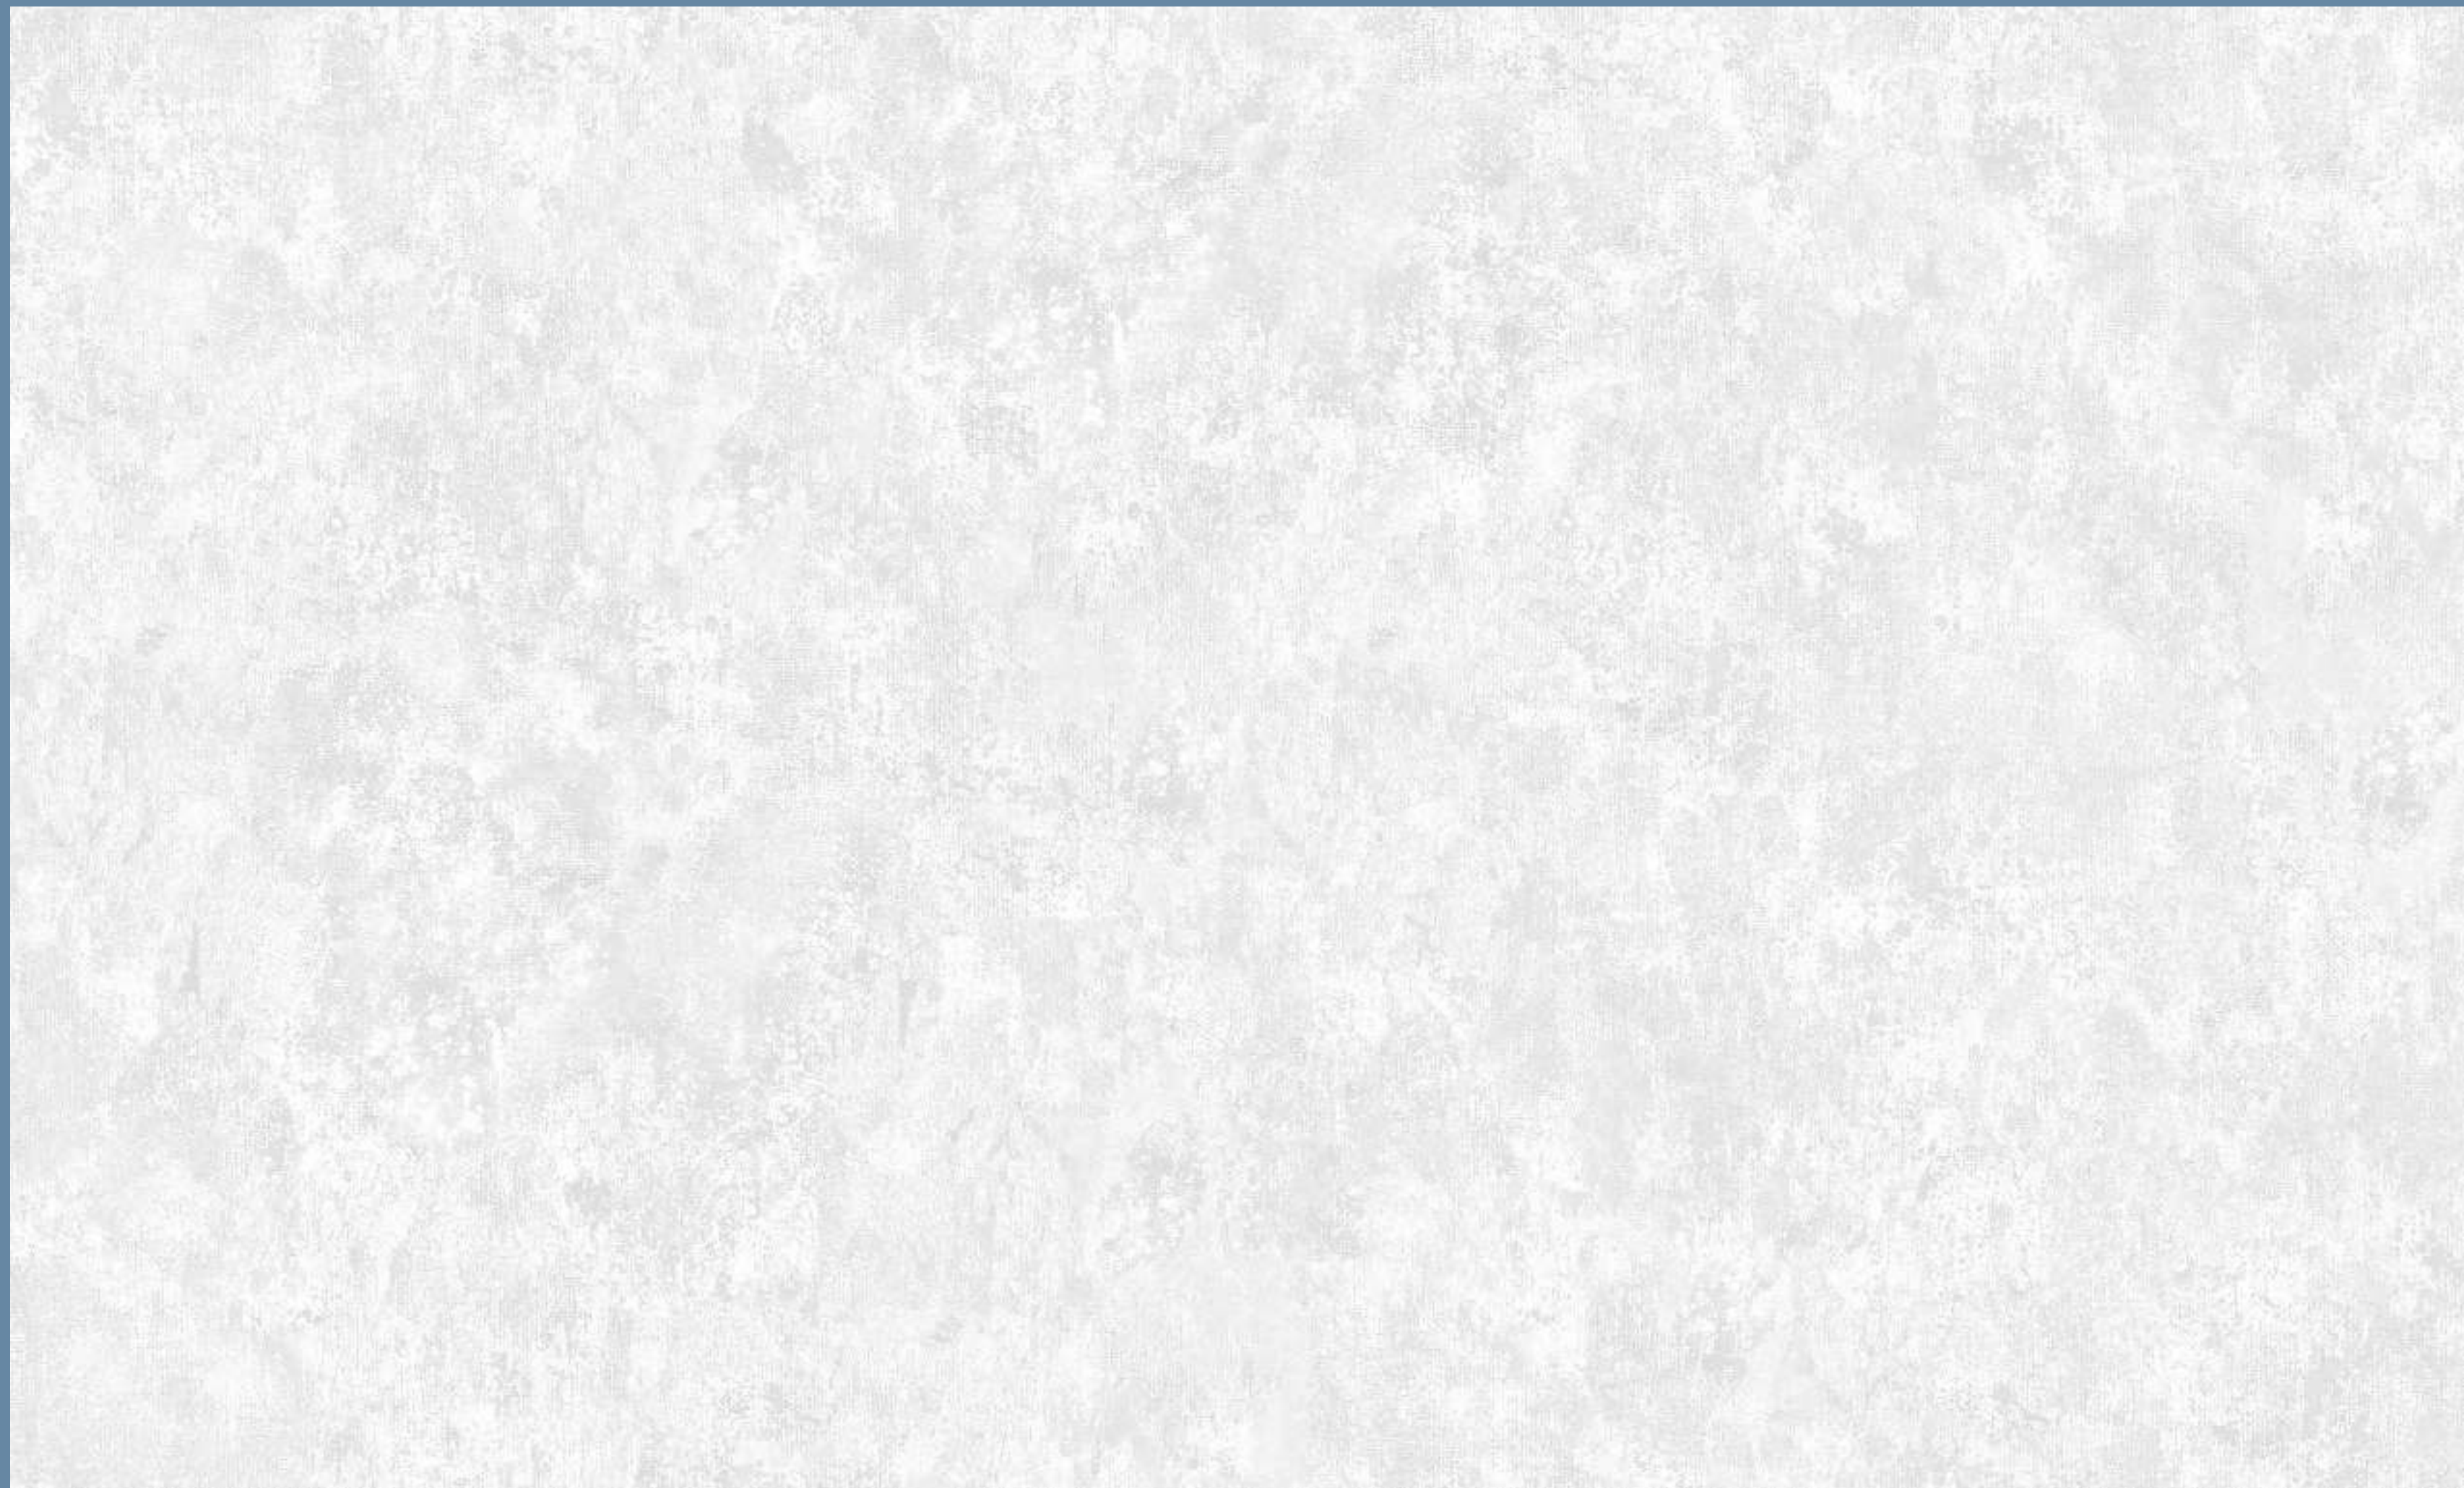

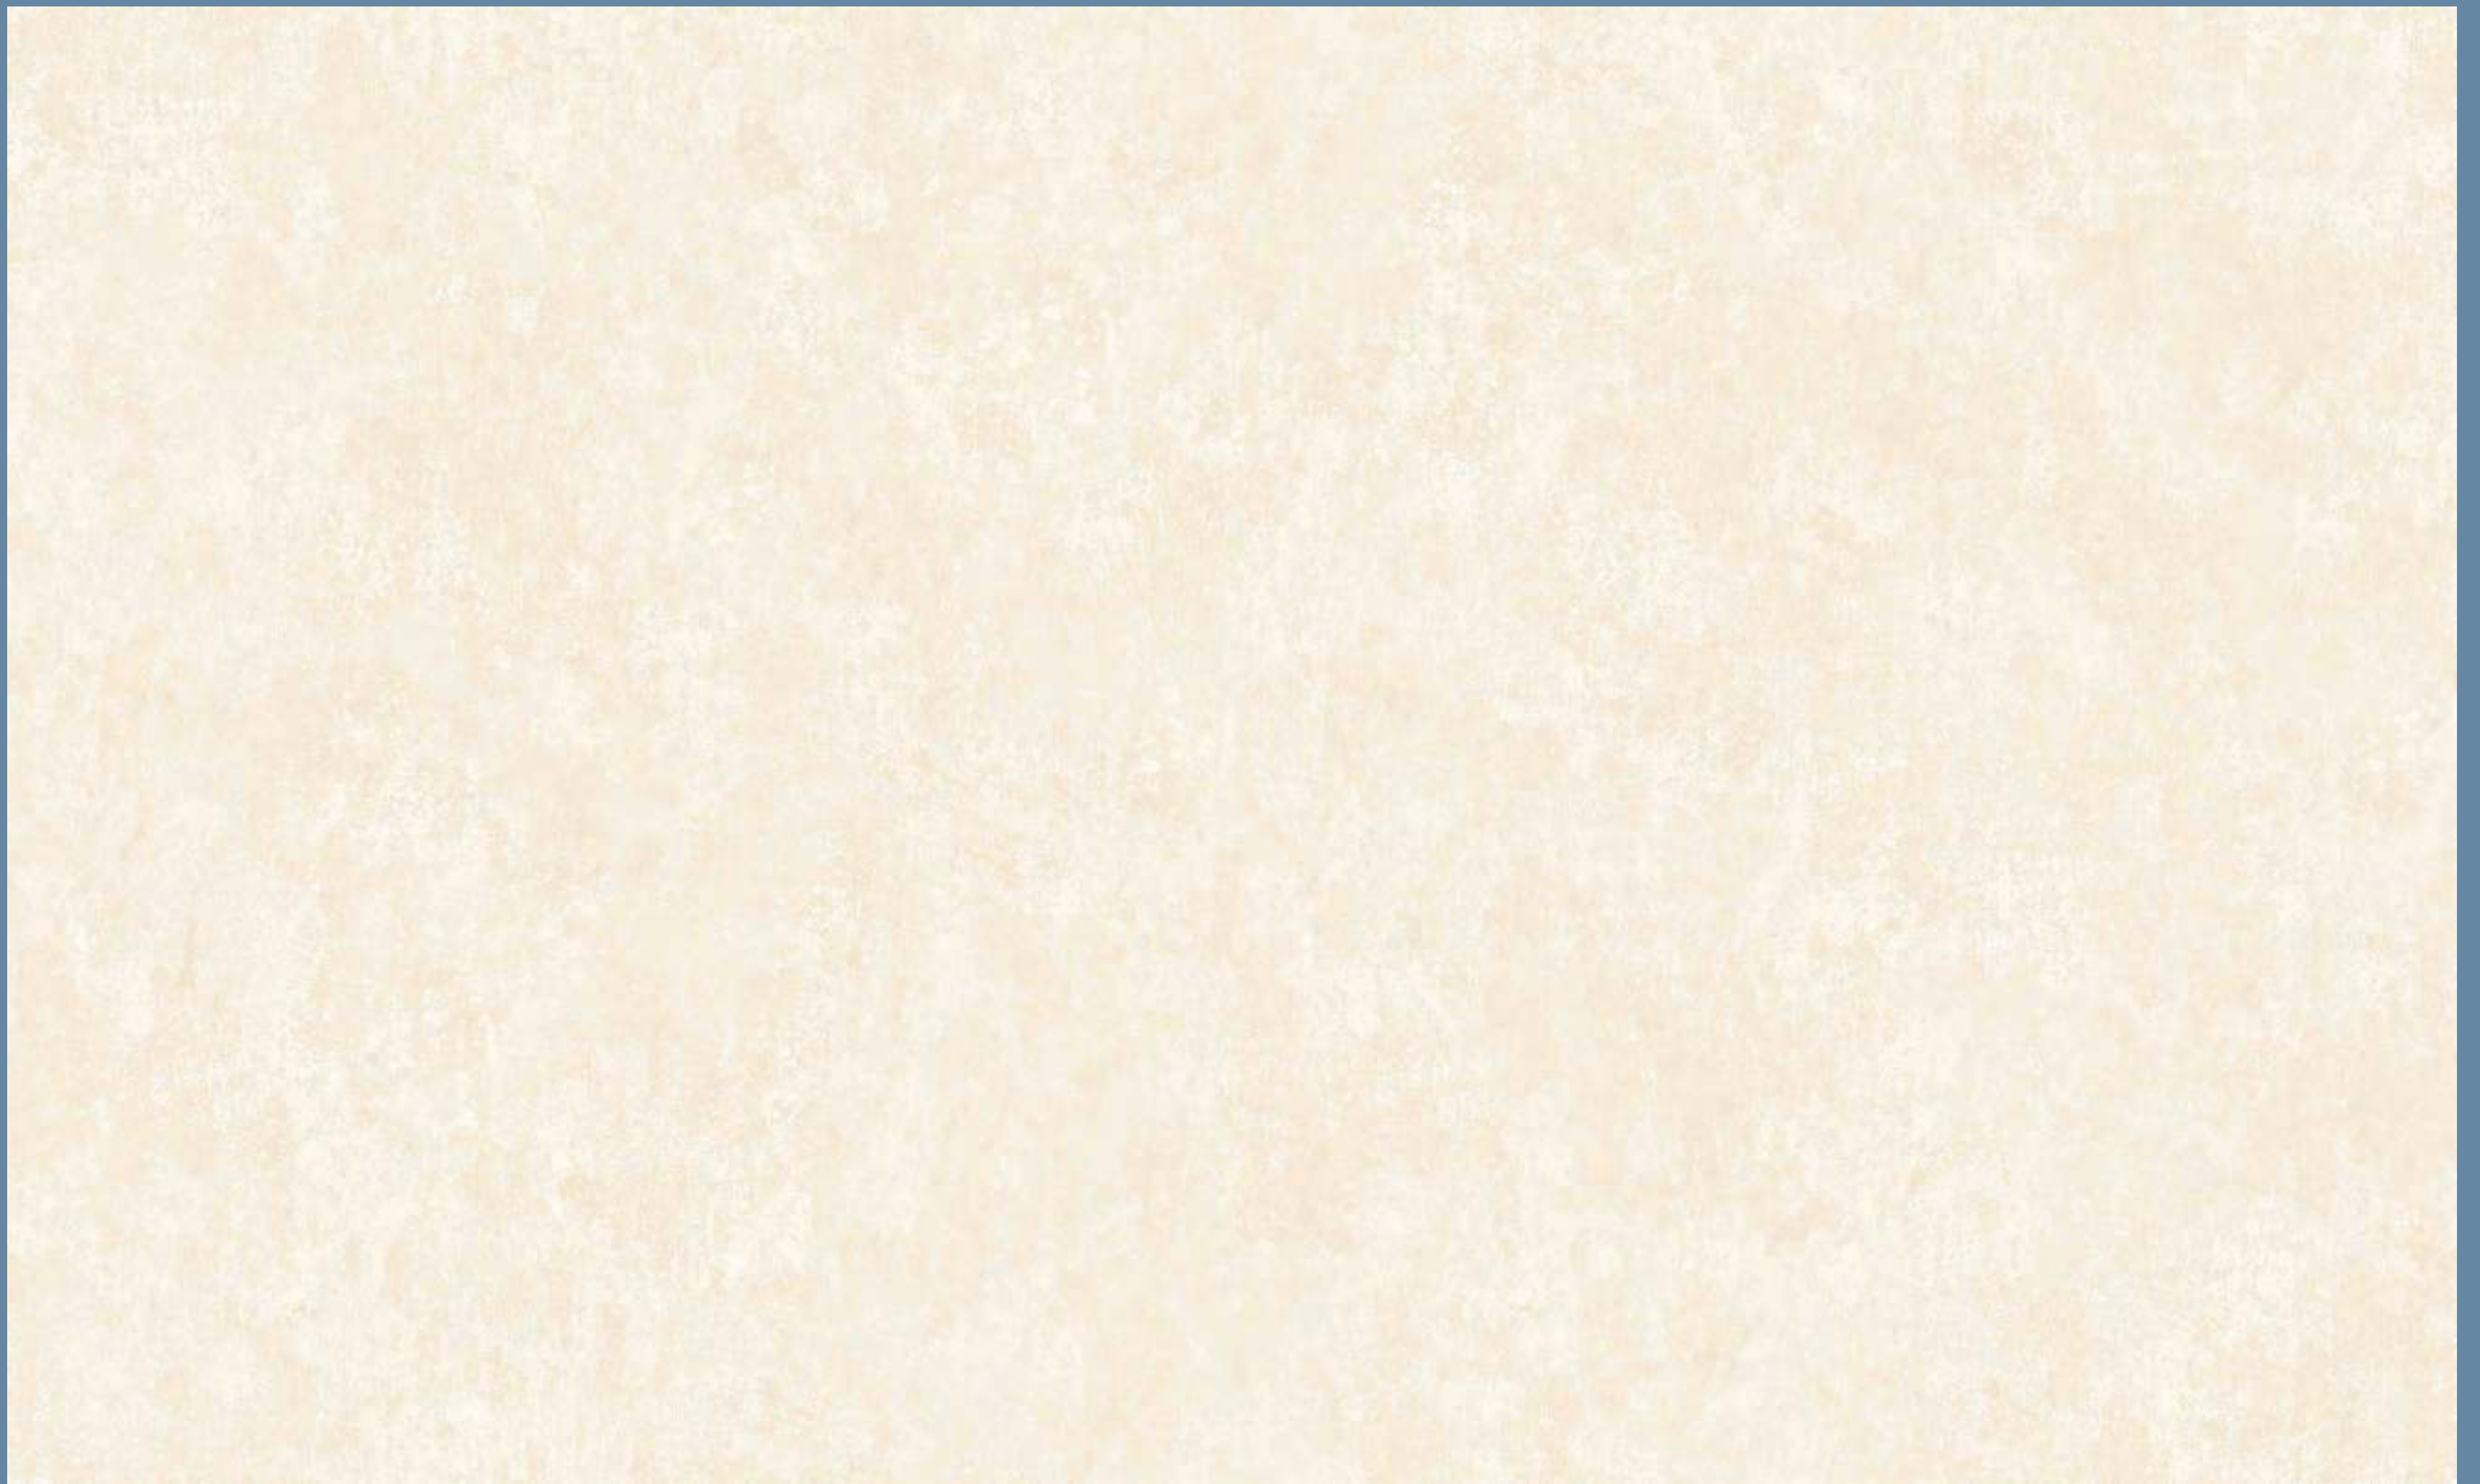

People from a planet without flowers would think
we must be mad with joy the whole time to have such things about us.
